How to use this guide. Every question buyers ask me about this topic, each with the short answer. The link under each one opens the full answer with the sources. Rules change: check the date on the page, and verify anything before you sign with your own notary, lawyer and tax consultant.

Areas

Land prices, demand and constraints, area by area.

What does land actually cost in Bali right now?

Area by area, in dollars per are, with the reason each one is priced the way it is.

[Full answer: balioffscript.com/areas/bali-land-prices/](https://balioffscript.com/areas/bali-land-prices/)

Where should you actually buy in Bali?

Canggu for liquidity, Uluwatu for upside, Sanur and Ubud for value. What each area costs and what it costs you.

Is Canggu still worth buying into?

The most liquid market in Bali, and the most saturated. Badung enforcement is the tightest on the island.

[Full answer: balioffscript.com/areas/canggu-berawa-property/](https://balioffscript.com/areas/canggu-berawa-property/)

Should you buy in Pererenan instead of Canggu?

Where Canggu money moved when Canggu got expensive. Same Badung rules, more green zone, more risk of buying something you cannot build on.

[Full answer: balioffscript.com/areas/pererenan-cemagi-property/](https://balioffscript.com/areas/pererenan-cemagi-property/)

What is the real risk of buying in Uluwatu?

The strongest upside case in Bali, and the place that demolished buildings in 2025. Setbacks and pink zoning are everything here.

[Full answer: balioffscript.com/areas/uluwatu-bukit-property/](https://balioffscript.com/areas/uluwatu-bukit-property/)

Is Sanur the best value in Bali right now?

Established, calmer, cheaper per square metre, and the fastest regency in Bali for permits.

[Full answer: balioffscript.com/areas/sanur-denpasar-property/](https://balioffscript.com/areas/sanur-denpasar-property/)

What should you know before buying in Ubud?

Strong occupancy and a different guest profile. Gianyar's constraint is sacred-site setbacks and very small buildable ratios.

[Full answer: balioffscript.com/areas/ubud-gianyar-property/](https://balioffscript.com/areas/ubud-gianyar-property/)

Is Tabanan the next Canggu?

The clearest appreciation story in Bali and the hardest place to get a commercial accommodation project approved.

[Full answer: balioffscript.com/areas/tabanan-west-coast-property/](https://balioffscript.com/areas/tabanan-west-coast-property/)

Is Lombok a better bet than Bali right now?

Cheaper land, and, crucially, Bali's 2026 restrictions do not apply there. Different province, different rules.

[Full answer: balioffscript.com/areas/lombok-property-foreigners/](https://balioffscript.com/areas/lombok-property-foreigners/)

What should you know about buying on Nusa Penida?

Bali's rules apply in full, permits take longest of any regency, and infrastructure is the constraint nobody prices.

[Full answer: balioffscript.com/areas/nusa-penida-property/](https://balioffscript.com/areas/nusa-penida-property/)

Is Seminyak still worth buying in?

The most established foreign market on the island. Highest density, highest prices, almost no land, and the deepest resale pool.

[Full answer: balioffscript.com/areas/seminyak-property/](https://balioffscript.com/areas/seminyak-property/)

Is Jimbaran a good place to buy?

Closest established area to the airport, calmer than the west coast, and priced below both Seminyak and the Bukit clifftops.

[Full answer: balioffscript.com/areas/jimbaran-property/](https://balioffscript.com/areas/jimbaran-property/)

Is North Bali worth buying in?

The cheapest coastal land on the island, black sand beaches, and a rental market that has not arrived. A long-horizon bet.

[Full answer: balioffscript.com/areas/north-bali-lovina-property/](https://balioffscript.com/areas/north-bali-lovina-property/)

What is an are of land in Bali?

Land here is priced per are, which is 100 square metres. Confusing it with a square metre or an acre is an expensive arithmetic error.

[Full answer: balioffscript.com/areas/bali-land-measurement-are/](https://balioffscript.com/areas/bali-land-measurement-are/)

Can you buy property on the Gili Islands?

Three small islands with real tourism demand, no cars, limited fresh water, and a land market that rewards caution over enthusiasm.

[Full answer: balioffscript.com/areas/gili-islands-property/](https://balioffscript.com/areas/gili-islands-property/)

Is East Bali worth buying in?

Rice terraces, Mount Agung, almost no tourism infrastructure, and prices a fraction of the south. A lifestyle buy more than a yield play.

[Full answer: balioffscript.com/areas/east-bali-sidemen-property/](https://balioffscript.com/areas/east-bali-sidemen-property/)

Where should you live in Bali if you surf?

The swell window decides which coast works when, and that should decide where you buy far more than the marketing does.

[Full answer: balioffscript.com/areas/surfing-bali-where-to-live/](https://balioffscript.com/areas/surfing-bali-where-to-live/)

Which areas of Bali are best for investment?

The areas with the best rental demand and the areas with the best entry price are not the same, and the gap between them is the whole decision.

[Full answer: balioffscript.com/areas/best-areas-to-invest-bali/](https://balioffscript.com/areas/best-areas-to-invest-bali/)

Is Umalas a good place to buy in Bali?

Sandwiched between Canggu and Seminyak, quieter than both, with rice fields still in the gaps. The area families pick when Canggu gets loud.

[Full answer: balioffscript.com/areas/umalas-property/](https://balioffscript.com/areas/umalas-property/)

Is Kerobokan worth buying in?

Between Seminyak and Canggu, with real local infrastructure and prices that reflect the absence of a beach.

[Full answer: balioffscript.com/areas/kerobokan-property/](https://balioffscript.com/areas/kerobokan-property/)

Is Nusa Dua a good investment?

Gated, manicured, hotel-dominated and unlike anywhere else in Bali. The most controlled property environment on the island.

[Full answer: balioffscript.com/areas/nusa-dua-property/](https://balioffscript.com/areas/nusa-dua-property/)

Can you still buy in Bingin?

One of the most sought cliff positions on the Bukit, and the area where enforcement against unpermitted cliff structures has bitten hardest.

[Full answer: balioffscript.com/areas/bingin-property/](https://balioffscript.com/areas/bingin-property/)

Is Nusa Lembongan worth buying?

Thirty minutes from Sanur by boat, genuinely beautiful, and constrained by water, power and a resale market of almost nobody.

[Full answer: balioffscript.com/areas/nusa-lembongan-property/](https://balioffscript.com/areas/nusa-lembongan-property/)

Is Seseh the next Pererenan?

Black sand, a golf course, temples on the beach and a wave of construction arriving from the south. Early, but no longer secret.

[Full answer: balioffscript.com/areas/seseh-property/](https://balioffscript.com/areas/seseh-property/)

Is Batu Bolong worth the premium?

The most walkable stretch in Canggu and the most expensive per are. Walkability is the whole product and it is genuinely scarce.

[Full answer: balioffscript.com/areas/batu-bolong-property/](https://balioffscript.com/areas/batu-bolong-property/)

Is Kedungu the next investment corridor?

Where the west coast development wave meets Tabanan's cheap land. Real surf, real construction, and demand that has not caught up.

[Full answer: balioffscript.com/areas/kedungu-nyanyi-property/](https://balioffscript.com/areas/kedungu-nyanyi-property/)

Is Pecatu or Ungasan better value than Uluwatu?

The interior Bukit, minutes from the famous breaks, at a fraction of clifftop prices. The trade is the view and the water.

[Full answer: balioffscript.com/areas/pecatu-ungasan-property/](https://balioffscript.com/areas/pecatu-ungasan-property/)

Where should you buy around Ubud?

Central Ubud is congested and built out. The value and the views are in the villages around it, and each one behaves differently.

[Full answer: balioffscript.com/areas/tegallalang-penestanan-property/](https://balioffscript.com/areas/tegallalang-penestanan-property/)

Is East Bali coast worth buying?

Black sand, world-class diving and prices a fraction of the south. Rental demand is thin and seasonal, and that is the whole trade.

[Full answer: balioffscript.com/areas/amed-candidasa-property/](https://balioffscript.com/areas/amed-candidasa-property/)

Is Echo Beach a good place to buy?

The northern end of Canggu, surf-led rather than cafe-led, slightly cheaper and with a different guest entirely.

[Full answer: balioffscript.com/areas/echo-beach-property/](https://balioffscript.com/areas/echo-beach-property/)

Is Balangan or Padang Padang worth buying?

Two of the best beaches on the Bukit, both constrained by access, water and the setback rules that have already bitten nearby.

[Full answer: balioffscript.com/areas/balangan-padang-padang-property/](https://balioffscript.com/areas/balangan-padang-padang-property/)

Is Munduk worth buying in?

Waterfalls, coffee plantations, cool air and almost no rental market. A lifestyle purchase that should never be underwritten on yield.

[Full answer: balioffscript.com/areas/munduk-central-bali-property/](https://balioffscript.com/areas/munduk-central-bali-property/)

Is Kuta or Legian still worth buying?

The original tourist strip, now the cheapest developed coastline in the south. Unfashionable is not the same as unprofitable.

[Full answer: balioffscript.com/areas/legian-kuta-property/](https://balioffscript.com/areas/legian-kuta-property/)

Should you buy in Denpasar?

The capital, almost entirely a local market, and the place to look if you want tenants who live here rather than visit.

[Full answer: balioffscript.com/areas/denpasar-property/](https://balioffscript.com/areas/denpasar-property/)

Should you buy on Nusa Ceningan?

Connected to Lembongan by a yellow bridge and smaller than anywhere else foreigners buy. Every constraint on Lembongan applies harder here.

[Full answer: balioffscript.com/areas/nusa-ceningan-property/](https://balioffscript.com/areas/nusa-ceningan-property/)

What does beachfront land cost in Bali?

The price is high, the supply is nearly fixed, and the setback rules mean a significant part of what you buy cannot be built on.

[Full answer: balioffscript.com/areas/beachfront-land-price-bali/](https://balioffscript.com/areas/beachfront-land-price-bali/)

Is Berawa a good place to buy property?

Berawa has the highest occupancy in Canggu and the highest land prices. Whether it works depends entirely on what term you can get.

[Full answer: balioffscript.com/areas/berawa-property/](https://balioffscript.com/areas/berawa-property/)

What is property like in Petitenget and Batu Belig?

The strip between Seminyak and Canggu has the amenity of both and the traffic of neither. It is the most underrated position in the south.

[Full answer: balioffscript.com/areas/petitenget-batu-belig-property/](https://balioffscript.com/areas/petitenget-batu-belig-property/)

Is Tanah Lot a good place to buy?

A famous temple, a championship golf course, black sand coast and land at a fraction of Canggu. The demand has not arrived at the same speed.

[Full answer: balioffscript.com/areas/tanah-lot-property/](https://balioffscript.com/areas/tanah-lot-property/)

Is Munggu or Tumbak Bayuh worth buying?

The rice fields immediately inland from the Pererenan corridor, cheaper than the coast and close enough to use it.

[Full answer: balioffscript.com/areas/munggu-tumbak-bayuh-property/](https://balioffscript.com/areas/munggu-tumbak-bayuh-property/)

Is Cemagi worth buying in?

Between Pererenan and Seseh, with a black sand beach, a temple on the point and less density than anywhere south of it.

[Full answer: balioffscript.com/areas/cemagi-property/](https://balioffscript.com/areas/cemagi-property/)

Is Tuban or Benoa worth buying?

Minutes from the terminal, unfashionable, and priced accordingly. The commercial logic is different from everywhere else in Bali.

[Full answer: balioffscript.com/areas/tuban-benoa-property/](https://balioffscript.com/areas/tuban-benoa-property/)

Is Sawangan or Melasti worth buying?

White sand, calm water, big resorts and land cheaper than the western clifftops, on the side of the Bukit most buyers never look at.

[Full answer: balioffscript.com/areas/sawangan-melasti-property/](https://balioffscript.com/areas/sawangan-melasti-property/)

Is Medewi or Balian worth buying?

Long left-hand waves, almost no development and the cheapest surf-adjacent land in Bali. The rental market is a decade behind.

[Full answer: balioffscript.com/areas/medewi-balian-property/](https://balioffscript.com/areas/medewi-balian-property/)

Is Tibubeneng or Padonan worth buying?

The residential belt behind Berawa, cheaper than the coast and close enough to use it, with zoning as the main thing to verify.

[Full answer: balioffscript.com/areas/padonan-tibubeneng-property/](https://balioffscript.com/areas/padonan-tibubeneng-property/)

Berawa or Batu Bolong?

A kilometre apart and genuinely different markets. Batu Bolong sells walkability, Berawa sells amenity and space.

[Full answer: balioffscript.com/areas/berawa-vs-batu-bolong/](https://balioffscript.com/areas/berawa-vs-batu-bolong/)
